Family Letter of Introduction:

Dear au pair,

I am very happy for having the opportunity for inviting you to stay with our family for six months. We have one boy in house, he is 5 years old. We want him to make friends with the boy or girl from other nationalities. Our family is from Hong Kong. I have been in US for many years and have traveled many countries abroad.

I am well aware of Western culture and customs. At the same time our family is also very willing to accept foreign culture. My son is very cute and lively, he is now an international kindergarten in Suzhou. He goes to class every morning around 8:40am, comes back around 4 pm. Hope you can become my son' brother or sister. Teach him how to get along with people, teach him to do simple housework etc.

We offer you also excellent opportunity to travel in the neighboring area, we can also arrange a weekend trip to Shanghai, and we can also do trips in mountains and other small towns around Suzhou. We will travel together with you, so you will not get lost.

We warmly welcome you to visit and stay with us. We are a family with great family harmony; I hope with your presence our life can be enriched to be even more joyful. I wish you a great stay and bring good memories with you upon your return.

Best wishes,
